

[Lanitis Energy](#) operates in the Renewable Energy Sources (RES) sector and the emerging Cyprus energy market in general. Through Lanitis Energy's subsidiaries, Lanitis Electrics, Conercon Energy Solutions and Lanitis Gas, the company offers a broad spectrum of electrical products and specialized goods and services in photovoltaics, liquefied petroleum gas, and energy saving systems.

The strategic objective of Lanitis Energy is to maintain a strong presence in the emerging energy market of Cyprus and to introduce and implement new technologies, products and services in the sector that it operates in. Its primary continuous goal is to intensify/reinforce the scale and the synergies in order to maximize benefits for existing and potential customers, partners and other member companies.
